The Sufi mystic and poet Jalaluddin Rumi is most beloved for his poems expressing the ecstasies and mysteries of love in all its forms—erotic, platonic, divine—and Coleman Barks presents the best of them in this delightful and inspiring collection. Rendered with freshness, intensity, and beauty as Barks alone can do, these startling and rich poems range from the "wholeness" one experiences with a true lover, to the grief of a lover's loss, and all the states in between: from the madness of sudden love to the shifting of a romance to deep friendship to the immersion in divine love. Rumi, the ultimate poet of love, explores all "the magnificent regions of the heart," and he opens you to the lover within. Coleman Barks has made this medieval, Persian-born (present-day Afghanistan) poetic and spiritual genius the most popular poet in America today. This seductive volume reveals Rumi's charms and depths more than any other. A vibrant selection of poems by the great Persian mystic with groundbreaking translations by an American poet of Persian descent. Rumi's poems were meant to induce a sense of ecstatic illumination and liberation in his audience, bringing its members to a condition of serenity, compassion, and oneness with the divine. They remain masterpieces of world literature to which readers in many languages continually return for inspiration and succor, as well as aesthetic delight. This new translation by Haleh Liza Gafari preserves the intelligence and the drama of the poems, which are as full of individual character as they are of visionary wisdom. Marilyn Hacker praises Gafari's new translations of Rumi as "the work of someone who is at once an acute and enamored reader of the original Farsi text, a dedicated miner of context and backstory, and, best of all, a marvelous poet in English." Begun in 1262 AD, *Masnavi-ye Ma'navi*, or 'spiritual couplets', is thought to be the longest single-authored 'mystical' poem ever written. As the spiritual masterpiece of the Persian Sufi tradition, it teaches how to progress to the ultimate goal of the Sufi path - union with God. Jalaluddin Rumi was a poet and a mystic, but he was first a teacher; in these verses he draws the reader into the complexities of human love and separation and explains the path to divine love through the elimination of self-regard and worldly desires. Drawing on diverse sources from bawdy tales and fables to stories of the prophet Mohammed, these verses are brief in expression yet copious in meaning. Rumi's short poems have many tones and effects: some of them are quick, joyful, and whimsical; some are finely faceted abstract statements; some probe the inward space of patience and longing. Moyne and Barks translated these poems using a free-verse style, connecting these poems with great American spiritual poets such as Walt Whitman and Gary Snyder. Rumi's poems are beloved for their touching perceptions of humanity and the Divine. Here is a rich introduction to the work of the great mystical poet, featuring leading literary translations of his verse. Translators include Coleman Barks, Robert Bly, Andrew Harvey, Kabir Helminski, Camille Helminski, Daniel Liebert, and Peter Lamborn Wilson. To display the major themes of Rumi's work, each of the eighteen chapters in this anthology are arranged topically, such as "The Inner Work," "The Ego Animal," "Passion for God," "Praise," and "Purity." Also contained here is a biography of Rumi by Andrew Harvey, as well as an introductory essay by Kabir Helminski on the art of translating Rumi's work into English. In 1244 a man wrapped in a coarse black coat entered Konya and so into the life of Islam's most celebrated poet and mystic: Mevlana Jalaluddin Rumi. A wanderer and spiritual vagabond, Shams of Tabriz proceeded to wrestle with Rumi's soul. What he wanted from his protégé was for him to embody a wilder, more robust spirituality that would enable him to embrace life's rawness more completely than any saint had done in the past. *Warriors of Love* gives a fresh interpretation of a selection of 49 poems which were written by Rumi as metaphors for his love for God as well as for his friend Shams, the Wild One. This essential volume also includes a long introduction on the life and times of Rumi and his friendship with Shams, the historical facts of their encounter, Sufism, the Mevlevi Order of Dervishes, the new dimension that Shams brought to Islamic spirituality and the importance of friendship as a true path to God. Rumi the Persian poet is widely acknowledged as being the greatest Sufi mystic of his age. He was the founder of the brotherhood of the Whirling Dervishes. This is a collection of his poetry. Rumi means Rumi means that the universe is an endless place within the existence of God, and as a small part of the whole, man keeps that divine essence inside him by saying, "You who search for God, it's you that you're searching for...." 92 Unique Rumi Poems From Madonna to Deepak Chopra, celebrities have been recording and embracing Rumi's poetry for the past two decades, creating a resurgence of interest in this 13th century Sufi mystic. *Rumi's Little Book of Life* is a beautiful collection of 196 poems by Rumi, previously unavailable in English. Translated by native Persian speakers, Maryam Mafi and Azima Melita Kolin, this collection will appeal to Rumi lovers everywhere. This collection of mystical poetry focuses on one of life's core issues: coming to grips with the inner life. During the course of life, each of us is engaged on an inner journey. *Rumi's Little Book of Life* is a guidebook for that journey. The poetry is a companion for those who consciously enter the inner world to explore the gardens within--out of the everyday "world of dust"--through an ascending hierarchy that restores one's soul to the heart; the heart of the spirit; and in finding spirit, transcending all. Philip Pullman, author of 'His Dark Materials' trilogy, has remarked that "after nourishment, shelter, and companionship, stories are the thing we need most in the world." This new collection of Rumi stories fills that need. This fresh prose translation of 105 short teaching stories by Rumi, which form the core of the six-volume *Masnavi*, explores the hidden spiritual aspects of everyday experience. Rumi transforms the seemingly mundane events of daily life into profound Sufi teaching moments. These prose gems open the mystical portal to the world of the ancient mystic. These stories include well-known and popular tales such as "Angel of Death," "The Sufi and His Cheating Wife," "Moses and the Shepherd," "Chickpeas," and "The Greek and Chinese Painters" as well as the less commonly quoted parables: "The Basket Weaver," "The Mud Eater," and "A Sackful of Pebbles." Rumi's voice alternates between playful and authoritative, whether he is telling stories of ordinary lives or inviting the discerning reader to higher levels of introspection and attainment of transcendent values. Mafi's translations delicately reflect the nuances of Rumi's poetry while retaining the positive tone of all of

Rumi's writings, as well as the sense of suspense and drama that mark the essence of the Masnavi. One of the most beloved poets of the twentieth century, Rainer Maria Rilke is widely celebrated for his depth of insight and timeless relevance. He has influenced generations of writers with his classic *Letters to a Young Poet*, and his reflections on the divine and our place in the world are disarmingly profound. *A Year with Rilke* provides the first ever reading from Rilke for every day of the year, including selections from his luminous poetry, his piercing prose, and his intimate letters and journals. Rilke is a trusted guide amid the bustle of our daily experience, reflecting on such themes as impermanence, the beauty of creation, the voice of God, and the importance of solitude. With new translations from the editors, whose acclaimed translation of Rilke's *The Book of Hours* won an ardent readership, this collection reveals the depth and breadth of Rilke's acclaimed work. Daniel Ladinsky's stunning interpretations of 365 soul-nurturing poems—one for each day of the year—by treasured Persian lyric poet Hafiz. The poems of Hafiz are masterpieces of sacred poetry that nurture the heart, soul, and mind. With learned insight and a delicate hand, Daniel Ladinsky explores the many emotions addressed in these verses. His renderings, presented here in 365 poignant poems—including a section based on the interpretations of Hafiz by Ralph Waldo Emerson—capture the compelling wisdom of one of the most revered Sufi poets. Intimate and often spiritual, these poems are beautifully sensuous, playful, wacky, and profound, and provide guidance for everyday life, as well as deep wisdom to savor through a lifetime. Jelalludin Rumi (1207-1273) led the quiet life of an Islamic teacher in the central Anatolia (modern Turkey) until the age of thirty-seven, when he met a wandering dervish named Shams Tabriz—through whom he encountered the Divine Presence in a way that utterly transformed him. The result of this epiphany was the greatest body of mystical poetry the world has ever seen, and the establishment of a spiritual movement that would eventually stretch from Africa to China, enduring to our own day. This collection of versions of Rumi by Andrew Harvey contains some of the master's most luminous verse, along with selections from his lesser-read prose works, with the aim of presenting a balanced view of his teaching that includes both the high-flying love of God and the rigorous path of discipline essential for those who seek it. Jelalludin Rumi (1207-1273) is considered by most to be the greatest of the Sufi mystical poets and one of the most highly regarded saints from any tradition. From the premier interpreter of Rumi comes the first definitive one-volume collection of the enduringly popular spiritual poetry by the extraordinary thirteenth-century Sufi mystic. 2007 is the "Year of Rumi," and who better than Coleman Barks, Rumi's unlikely, supremely passionate ambassador, to mark the milestone of this great poet's 800th birthday? Barks, who was recently awarded an honorary doctorate in Persian language and literature by the University of Tehran for his thirty years of translating Rumi, has collected and translated ninety new poems, most of them never published before in any form. The result is this beautiful edition titled *Rumi: Bridge to the Soul*. The "bridge" in the title is a reference to the Khajou Bridge in Isfahan, Iran, which Barks visited with Robert Bly in May of 2006—a trip that in many ways prompted this book. The "soul bridge" also suggests Rumi himself, who crosses cultures and religions and brings us all together to listen to his words, regardless of origin or creed. Open this book and let Rumi's poetry carry you into the interior silence and joy of the spirit, the place that unites conscious knowing with a deeper, more soulful understanding. In this slender volume, Rumi explores the joy of friendship and the agony of loss. These poetic meditations on the most profound of human relationships are like crystals: they sparkle with the many hues of the rainbow and contain worlds within, capturing us with their mystery. Here are poems that cause us to reflect on our own relationships, to experience again the intensity of friendship, the ache of loss, and the profundity of immersion. This is a book for poetry lovers, Rumi fans, and all gift-giving occasions; a book to treasure and to share. Previously published in hardcover as *Whispers of the Beloved*. Imitating others, I failed to find myself I looked inside and discovered I only knew my name. When I stepped outside I found my real Self. Replaces ISBN 9781571746825. The selections in this book are sparkling drops from the ocean of Rumi's spiritual masterpiece, the *Mathnawi* -- six volumes of rhymed verse, drawing on favorite stories from the Qur'an, tales of Sufi saints and masters, the sayings of Muhammed, folklore, and popular humor. The excerpts presented here are rendered in free-verse style and emphasize the teaching stories and spiritual fables. Also included are seventeen personal letters, in which Rumi offers spiritual counsel to disciples and family members. Rowdy, ecstatic, and sometimes stern, these teaching stories and fables reveal new and very human properties in Rumi's vision. Included here are the notorious "Latin parts" that Reynold Nicholson felt were too unseemly to appear in English in his 1920s translation. For Rumi, anything that human beings do however compulsive affords a glimpse into the inner life. Here are more than 40 fables or teaching stories that deal with love, laughter, death, betrayal, and the soul. The stories are exuberant, earthy, and bursting with vitality much like a painting by Hieronymus Bosch or Chaucer's *Canterbury Tales*. The characters are guilty, lecherous, tricky, ribald, and finally possessors of opened souls. Barks writes: "These teaching stories are a kind of scrimshaw intricately carved, busy figures, confused and threatening, and weirdly funny. This is an entertaining collection from one of the greatest spiritual poets of all time, rendered by his most popular translator. "The minute I heard my first love story, I started looking for you, not knowing how blind that was. Lovers don't finally meet somewhere. They're in each other all along." Rumi "My heart wandered through the world constantly seeking after my cure, but the sweet and delicious water of life had to break through the granite of my heart." When the words of Rumi enter your heart, something softens, breaks, and is subtly reborn. That he wrote the words seven hundred years ago in a medieval Persian world that bears little resemblance to ours makes their uncanny resonance to us today just that much more remarkable. Here is a treasury of daily wisdom from this most beloved of all the Sufi masters—both his prose and his ecstatic poetry—that you can use to start every day for a year, or that you can dip into for inspiration any time you need to break through the granite of your heart. In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free. *Inside A Lover's Heart There's Another World*, and Yet Another Rumi's masterpieces have inspired countless people throughout the centuries, and Coleman Barks's exquisite renderings of the thirteenth-century Persian mystic are widely considered the definitive versions for our time. Barks's translations capture the inward exploration and intensity that characterize Rumi's poetry, making this unique voice of mysticism and desire contemporary while remaining true to the original poems. In this volume readers will encounter the essence of Sufism's insights into the experience of divine love, wisdom, and the nature of both humanity and God. While Barks's stamp on this collection is clear, it is Rumi's voice that leaps off these pages with a rapturous power that leaves readers breathless. These poems express our deepest yearning for the transcendent connection with the source of the divine: there are passionate outbursts about the torment of longing for the beloved and the sweet delight that comes from union; stories of sexual adventures and of loss; poems of love and fury, sadness and joy; and quiet truths about the beauty and variety of human emotion. For Rumi, soul and body and emotion are not separate but are rather part of the great mystery of mortal life, a riddle whose solution is love. Above all else, Rumi's poetry exposes us to the delight that comes from being fully alive, urging us always to put aside our fears and take the risk of discovering our core self: No one knows what makes the soul wake up so happy! Maybe a dawn breeze has blown the veil from the face of God. These fresh, original translations magnificently convey Rumi's insights into the human heart and its longings with his signature passion and daring, focusing on the ecstatic experience of the inseparability of human and divine love. The match between Rumi's

sublime poetry and Coleman Barks's poetic art are unequalled, and here this artistic union is raised to new heights. The spiritual influence of Jelaluddin Rumi (1207-1273) is increasing among people of diverse beliefs throughout the western world. Rumi is now recognized here in the West, as he has been for seven centuries in the Middle East and Western Asia, as one of the greatest literary and spiritual figures of all time. Rumi is a spokesman for the religion of love in the language of the heart. Recent translations of Rumi's work have brought forth a variety of different qualities, exploring the subtlety, grace, and electricity of his verse. This book presents his spiritual teachings concisely and comprehensively, in a translation that touches heart and mind. The Mathnawi, from which these selections have been taken, is one of the greatest spiritual masterpieces ever written. Its content includes the full spectrum of life on earth, as well as the vertical dimension to the highest levels of metaphysics and cosmic awareness. FULL TITLE: The Mesnevi of Mevlânâ Jelâlu'd-dîn er-Rûmî. Book first, together with some account of the life and acts of the Author, of his ancestors, and of his descendants, illustrated by a selection of characteristic anecdotes, as collected by their historian, Mevlânâ Shemsü'd-dîn Ahmed el-Eflâkî el-'Arifî, translated and the poetry versified by James W. Redhouse. The Mesnevi is one of the most influential works of Sufism, commonly called "the Quran in Persian". It has been viewed by many commentators as the greatest mystical poem in world literature. It tells mainly the mythical and to some extent the historical past of the Persian Empire. Its diversity, complexity and profoundness, the timeless themes of power, God, love and fidelity, together make The Mesnevi one of the most compelling and memorable spiritual works of world literature. Its author, the Persian poet and Sufi mystic Jalal ad-Din Rumi (1207-1273) found his own religious order, the Whirling Dervishes. To many modern Westerners, his teachings are one of the best introductions to the philosophy and practice of Sufism. This book has entertained generations of readers and profoundly shaped culture and literature-of both Arabian Peninsula and the world- throughout the years. The Lost Words of the Sufi Master and Father of Rumi Bahauddin, Rumi's father, was not only a major force in the development of Islamic spirituality, but also a deeply influential force in his son's life. In this, the first ever substantial English version of a wonderful but virtually unknown book, Bahauddin proves to be a daring, spiritual genius. His voice comes through the delightful, passionate craft of Coleman Barks, who transforms the Persian translations of John Moyné into fresh spiritual literature. An enchanting poet, an insightful scholar, and a noted jurist, Rumi is a historical figure whose work has persisted over centuries. The universal nature of his writing has managed to transcend national and cultural boundaries and his poems have been cemented in the curricula and imaginations of people around the world. Jalal ad-Din Muhammad Rumi, more commonly known as Rumi, was born in 1207. The exact date of his birth is unknown, and the suspected date varies depending on the historian. Scholars have had better luck narrowing down his place of birth. Rumi was either born in Wakhsh, which was located in present-day Tajikistan or in Balkh, present day Afghanistan. His father was a theologian and a jurist, a man whose work would arguably impact the course of young Rumi's life. It is difficult to separate the man from the myth when outlining Rumi's family background. There are claims that Rumi's family was descended from the Caliph Abu Bakr, one of the Prophet Muhammad's trusted advisors. Historians have largely classified this a myth along with other claims that tie the family's lineage to royalty. A powerful personal journey to find meaning and life lessons in the words of a wildly popular 13th century poet. Rumi's inspiring and deceptively simple poems have been called ecstatic, mystical, and devotional. To writer and activist Melody Moezzi, they became a lifeline. In *The Rumi Prescription*, we follow her path of discovery as she translates Rumi's works for herself - to gain wisdom and insight in the face of a creative and spiritual roadblock. With the help of her father, who is a lifelong fan of Rumi's poetry, she immerses herself in this rich body of work, and discovers a 13th-century prescription for modern life. Addressing isolation, distraction, depression, fear, and other everyday challenges we face, the book offers a roadmap for living with intention and ease, and embracing love at every turn--despite our deeply divided and chaotic times. Most of all, it presents a vivid reminder that we already have the answers we seek, if we can just slow down to honor them. You went out in search of gold far and wide, but all along you were gold on the inside. Become the sky and the clouds that create the rain, not the gutter that carries it to the drain. You already own all the sustenance you seek. If only you'd wake up and take a peek. Quit being a drop. Make yourself an ocean. The first full-length volume of Rumi's cherished verse, from bestselling poet Daniel Ladinsky. Renowned for his poignant renderings of mystical texts, here Daniel Ladinsky captures the beauty, intimacy, and musicality of one of Islam's most beloved poets and spiritual thinkers. With learned insight and a delicate touch, this work explores the nuances of desire--that universal emotion--in verse inspired by Rumi's love and admiration for his companion and spiritual teacher, Shams-e Tabriz. These poems thoughtfully capture the compelling wisdom of one of Islam's most revered artistic and religious voices and one of the most widely read poets in the English language. *The Purity of Desire* is an essential volume for anyone looking to feel their soul awakened. *A Girl Called Rumi*, Ari Honarvar's debut novel, weaves a captivating tale of survival, redemption, and the power of storytelling. Kimia, a successful spiritual advisor whose Iranian childhood continues to haunt her, collides with a mysterious giant bird in her mother's California garage. She begins reliving her experience as a nine-year-old girl in war-torn Iran, including her friendship with a mystical storyteller who led her through the mythic Seven Valleys of Love. Grappling with her unresolved past, Kimia agrees to accompany her ailing mother back to Iran, only to arrive in the midst of the Green Uprising in the streets. Against the backdrop of the election protests, Kimia begins to unravel the secrets of the night that broke her mother and produced a dangerous enemy. As past and present collide, she must choose between running away again or completing her unfinished journey through the Valley of Death to save her brother. As Barks writes in his introduction to this collection, "Silence is a deeper way that lovers have found." Rumi's silence is that of the chef who hands you a spoon to let you taste, now that the recipe-reading is over. The silence becomes an inward communion, an experience beyond any doctrinal description. Somehow, in these poems, Rumi uses words to take us over into that silence. *The Friendship Poems of Rumi* is an elegantly illustrated gift book of the famous Rumi's poems, translated by Nader Khalili, that center on the meaning of friendship and its many beautiful meanings. The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account. "This is a collection of inspirational wisdom for living a meaningful and productive life. This selection of quotations has been chosen to reflect Rumi's inspiring and uplifting approach to life and the inevitable issues that we encounter during our lifetimes. The wisdom includes no-nonsense statements, observations, and facts—ranging from matters of the heart, to understanding human nature, to embracing the nature of the divine. The result is an extended meditation on how to live one's life with meaning, productivity, and kindness"— Rise up nimbly and go on your strange journey to the ocean of meanings... In the mid-thirteenth century, in a dusty marketplace in Konya, Turkey, a city where Muslim, Christian, Hindu, and Buddhist travelers mingled, Jelaluddin Rumi, a popular philosopher and scholar, met Shams of Tabriz, a wandering dervish. Their meeting forever altered the course of Rumi's life and influenced the mystical evolution of the planet. The bond they formed was everlasting—a powerful transcendent friendship that would flow through Rumi as some of the world's best-loved ecstatic poetry. Rumi's passionate, playful poems find and celebrate sacred life in everyday existence. They speak across all traditions, to all peoples, and today his relevance and popularity continue to grow. In *The Illuminated Rumi*, Coleman Barks, widely regarded as the world's premier translator of Rumi's writings, presents some of his most brilliant work, including many new translations. To complement Rumi's universal vision, Michael Green has worked the ancient art of illumination into a new, visually stunning form that joins typography, original art, old masters, photographs, and prints with sacred images from around the world. *The Illuminated Rumi* is a truly groundbreaking collaboration that interweaves word and image: a magnificent meeting of ancient tradition and modern interpretation that uniquely captures the spiritual wealth of Rumi's teachings. Coleman Barks's wise and witty commentary, together with Michael Green's art, makes this a classic guide to the life of the soul for a whole new generation of seekers. *The Spiritual Poems of Rumi* is a beautiful and elegantly illustrated gift book of Rumi's spiritual poems translated by Nader Khalili, geared for readers searching for a stronger spiritual core.
