**GameAxis Unwired** Mar 15 2021 GameAxis Unwired is a magazine dedicated to bring you the latest news, previews, reviews and events around the world and close to you. Every month rain or shine, our team of dedicated editors (and hardcore gamers!) put themselves in the line of fire to bring you news, previews and other things you will want to know.

Kings, Usurpers, and Concubines in the 'Chronicles of the Kings of Man and the Isles' Dec 12 2020 This Palgrave Pivot explores the representation of sea kings, sinners, and saints in the mid-thirteenth century *Chronicles of the Kings of Man and the Isles*, the single most important text for the history of the kingdoms of Man and the Isles, c.1066-1300. The focus of the *Chronicles*

on the power struggles, plots and intrigues within the ruling dynasties of Man and the Isles offers an impressive array of heroes and villains. The depiction of the activities of heroic sea kings like Godred Crovan, tyrannical usurpers like Harald son of Godred Don, and their concubines and wives, as well as local heroes like Saint Maughold, raises important questions concerning the dynamic interactions of power, gender and historical writing in the medieval Kingdoms of Man and the Isles, and provide new insights into the significance of the text that is our most important source of information on these 'Forgotten Kingdoms' of the medieval British Isles.

**The Dragon Knight** Aug 08 2020 Fourteen years ago, *HERE, THERE BE DRAGONS*, the first book in my illustrated Young Adult Fantasy series *The Chronicles of the Imaginarium Geographica* was published. It became a bestseller, has been published in more than twenty languages, and still remains in print in hardcover to this day. Six other books in the series were published: *THE SEARCH FOR THE RED DRAGON*; *THE INDIGO KING*; *THE SHADOW DRAGONS*; *THE DRAGON'S APPRENTICE*; *THE DRAGONS OF WINTER*; and the final volume, *THE FIRST DRAGON*, which concluded the story I began in *Book One*.....but it wasn't the last *Imaginarium Geographica* story I had to tell. I had written a novella about one of my most popular characters, Don Quixote, and how he came to be trapped in the *Keep of Time*, but only the prologue was ever published. I had also written several short stories which were intended to become picture books at one point, before being set aside. And when I was working on the screenplay of *HERE, THERE BE DRAGONS* for Warner Brothers, I discovered there was more to share about my trio of heroes, John, Jack, and Charles, than I had ever realized. For most of a decade, readers eagerly awaited Autumn and the publication of a new *Imaginarium Geographica* book, which many of them had often received as Christmas presents. My publisher wasn't interested in doing another book any time soon, but I've successfully published a number of projects through my own imprint, Coppervale Press, and I couldn't bear to let another Christmas go by without giving my readers a new book (and maybe I also really wanted to do a book with an orange cover). So I pulled out all of the unused stories and created an *ALL NEW* framing sequence that tied them all together... and that's when I realized there would be an eighth book: *THE DRAGON KNIGHT*. This is a standalone book, readable at either end of the seven book series, or at any point in between. It consists of stories of many of the characters and places my readers already know and love, including "The Littlest Knight and the Last Dragon," "Mr. Tummeler's Grand

Day Out," and more, as well as the TRUE story of how John, Jack, and Charles became Caretakers, and the long-awaited novella about Don Quixote and the Keep of Time, "The Thin Man and the Queen of Stars." All with new illustrations by me and presented in a beautiful new edition that will match the existing set perfectly.

**A Tear in the Sky** Jun 17 2021 When Cade discovers that his wife is not truly dead, but held in some kind of arcane status between the lands of the living and the lands of the dead, he vows that nothing will stop him from freeing her soul from the prison surrounding her. But when an old friend calls on Cade to help protect the city of Boston from an ancient scourge, the Knight Commander will be asked to chose between rescuing his wife and saving the lives of those he has vowed a holy oath to protect.

*The Martian Chronicles* Mar 03 2020 The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

**The Hungry Dark** Jan 13 2021 From the author of the internationally bestselling Templar Chronicles series comes an all new urban fantasy adventure featuring Knight Commander Cade Williams and the men of the Echo Team...In The Hungry Dark, Cade and his team are in Europe, helping train a new group of recruits when reports of strange occurrences at a small village deep in Germany's Black Forest reach the Order's leaders. With the locals tied up on other matters, Echo Team is dispatched to deal with the situation.No sooner do the men of Echo reach their destination that a terrible winter storm rolls in, stranding them in enemy territory with nothing but their wits and a handful of weapons to get them through the night.(Author's Note: The Hungry Dark takes place just a few months after the events of The Heretic and before those of A Scream of Angels.)

The Rise and Fall of the Mounted Knight May 29 2022 The medieval mounted knight was a fearsome weapon of war, captivating and horrifying in equal measure, they are a continuing source of fascination. They have been both held up as a paragon of chivalry, whilst often being condemned as oppressive and violent. Occupying a unique place in history, knights on their warhorses are an enigma hidden behind their metal armor, and seemingly unreachable on their steeds. This book seeks to understand the world of the medieval knight by studying their origins, their accomplishments and their eventual decline. Forged in the death throes of the Roman Empire, the mounted knight found a place in a harsh and dangerous world where their

skills and mentality carved them into history. From the First Crusade to the fields of Scotland, knights could be found, and their human side is examined to see how these men came to both rule Europe, and ride into enduring legend. The challenges facing the mounted knight were vast and deadly, from increasingly professional and competent infantry forces to gunpowder, the rise of political unity and the crunch of finance. The factors which forced the knight into the past help to define who and what they were, as well as the legacy that they have left indelibly imprinted on the world. The standout feature of this book is the focus on the equine half of the partnership, from an author who practices the arts of horsemanship on a daily basis, including combat with sword and lance. The psychology of the horse, refined by the experience of actually training warhorses, has helped the author to add to the body of academic work on the subject. This insight opens up the world of the mounted knight, and importantly and uniquely, challenges the perception of what he and his horse could really do.

*Hot as Hell* Nov 22 2021 "Hot as Hell is part tingly suspense and part hot passion with just the right touches of humor ...[i]f you love the SSI series, then you will not want to miss seeing Sam and Dawn find their happily ever after..." – Jo for Joyfully Reviewed Fed up with her incompetent boss, Interpol agent Dawn Wilson accepts a job with Security Specialists International. Her first assignment forces her into close contact with the devastatingly sexy, but far too pushy CIA agent Sam Crocker. When the SSI team, plus a forced-on-leave Sam, gathers in Aruba to take down a traitor to the United States, Sam soon discovers the beautiful, feisty Dawn's skills are a complete match for his own. As the fairly low-risk operation goes FUBAR, their attraction ignites and turns hot as hell. **Hard Magic** Aug 20 2021 #1 in the hard-hitting Grimnoir Chronicles by the New York Times best-selling creator of *Monster Hunter International*. Jake Sullivan is hardboiled private eye at war with evil magical powers in a dark and gritty urban fantasy that's a cross between the *The Maltese Falcon* and *Twilight*. *Twilight* meets *The Maltese Falcon* in the first entry of the hard-

hitting Grimnoir Chronicles urban fantasy saga by the New York Times best-selling creator of Monster Hunter International. Magical creeps dispatched in heaps! Jake Sullivan is a war vet, a licensed private eye, and the possessor of a seriously hardboiled attitude. He also happens to have the magical ability to make anything in his vicinity light as a feather or as heavy as depleted uranium. While a range of enemies natural and supernatural wants him deep-sixed, Jake likes living, and his days in the trenches and his stint in the stir for manslaughter have only made him harder, leaner and meaner. The first entry in the new, hard-hitting Grimnoir Chronicles by the Larry Correia, breakout best-selling author of Monster Hunter International. About Larry Correia's Monster Hunter series "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read." –Bookreporter.com "If you love monsters and action, you'll love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book." –Knotlan.com "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books]...The plotting is excellent, and Correia makes you care about the characters...I read both books without putting them down except for work...so whaddaya waitin' for? Go and buy some...for yourself and for stocking stuffers." –Massad Ayoob About Larry Correia's Monster Hunter Vendetta: "This lighthearted, testosterone-soaked sequel to 2009's Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts." –Publishers Weekly

*The Red Knight* Nov 03 2022 The Red Knight is the product of 25 years of meticulous research. It is, arguably, the most comprehensive account ever written about the Canadian Air Force's legendary solo jet-aerobatics performer. An important part of Canadian aviation history, the Red Knight is second only to the Snowbirds in longevity and total number of performances. The Red Knight chronicles the history of the program, from its conception in 1957 to its cancellation in 1970. Everyone who has enjoyed watching the precision, grace and beauty of aerobatic flight will enjoy this insight into the "behind the scenes" aspect of aerial displays. A fine addition to any aviation reference library, The Red Knight will be of particular interest to anyone who remembers the program or saw a performance of this uniquely Canadian display. The Red Knight is illustrated with rare photographs never published before. The book is further enhanced by specially commissioned works of art

from noted Canadian Aviation Artist, Don Connolly. Details of the various Red Knight paint schemes are provided through aircraft profiles, also specifically created for this publication. Together, this unique pictorial collection vividly portrays the legacy of the Red Knight.

**The Young Knight of Selgovae** May 17 2021 The Young Knight of Selgovae is set historically in old Brittany, Francia, Danmork and Rus. In the days of King Arthur, Sir Alun is enjoying life at court and a budding romance in the Palace of Léhon, when Brittany is invaded by Clovis I of Francia, a brutal boy-king. What begins as a simple scouting mission for Sir Alun, entangles the young knight in international intrigue, courtly love affairs, war, and harrowing encounters with the supernatural. This work bucks the trend of young adult literature by providing readers with a hero that isn't blessed with superpowers, isn't some sort of "chosen one," and isn't even the sole center of attention, for its three heroines are fully developed in the story line. Through Sir Alun, Princess Jariya, Countess Thela, and Aisha, a Venetian innkeeper's daughter, young audiences will be re-introduced to the sort of complex, imperfect characters more often seen in classical literature, who struggle with self-confidence, pay the price for their brash mistakes, experience grand romantic adventures and surprisingly overcome nearly insurmountable odds. Rather than characters the audiences can fantasize about or "roleplay," these are true-to-life individuals the readers can relate to and emulate. As one reader said, "I loved The Young Knight of Selgovae. It was a perfect mix of adventure and romance. It was hard to put the book down, because I never knew which way the story was going to go. It is a beautiful story, written to perfection!"

The Dragon on the Border Apr 15 2021 The sequel to *The Dragon Knight* chronicles the adventures of Sir James--the Dragon Knight--as he battles the Hollow Men, vengeful spirits of the dead that appear as hollow suits of armor and that can regenerate themselves.

**The Persuasive Appeal of the Chronicler** Apr 03 2020 Drawing on ancient rhetorical principles, this work brings a novel approach to the exploration of the literary dynamics of the books of Chronicles. Contrary to those who have viewed the Chronicler as ploddy and dull, Duke maintains that the Chronicler understood the historiographical demands of his day. Utilizing traditions, genealogical material, speeches of authoritative characters and paradigmatic portrayal of events and characters, and moving from a cautious inductive presentation of his thesis to a more propositional form of argumentation, the Chronicler retold the story of Israel with skill and artistry.

*Spellbound* Nov 10 2020 From the New York Times best-selling creator of *Monster Hunter International*: #2 in the hard-hitting *Grimnoir Chronicles*. Jake Sullivan is a hardboiled private eye at war with evil magical powers in a dark and gritty urban fantasy that's a cross between *The Maltese Falcon* and *Angels and Demons* and *Twilight*. Dark fantasy goes hardboiled in #2 of the hard-hitting *Grimnoir Chronicles* by the New York Times best-selling creator of *Monster Hunter International*. The *Grimnoir Society*'s mission is to protect people with magic, and they've done so—successfully and in secret—since the mysterious arrival of the Power in the 1850s, but when a magical assassin makes an attempt on the life of President Franklin Roosevelt, the crime is pinned on the *Grimnoir*. The knights must become fugitives while they attempt to discover who framed them. Things go from bad to worse when Jake Sullivan, former p.i. and knight of the *Grimnoir*, receives a telephone call from a dead man—a man he helped kill. Turns out the Power jumped universes because it was fleeing from a predator that eats magic and leaves destroyed worlds in its wake. That predator has just landed on Earth. **The Black Knight Chronicles** Jan 31 2020 *The Black Knight Chronicles*: Lots of Vampires. No Sparkles. Serious Snark. **BOOK ONE: HARD DAY'S KNIGHT** Children are missing. The police are stumped. Halloween is coming, and an ancient evil is on the horizon. The vampires are the good guys. This is not your ordinary fall weekend in Charlotte, North Carolina. Vampire private detectives Jimmy Black and Greg Knightwood have been hired to save a client from being cursed for all eternity, but end up in a bigger mess than they ever imagined. Suddenly trapped in the middle of a serial kidnapping case, Jimmy and Greg uncover a plot to bring forth an ancient evil. Soon, they've enlisted the help of a police detective, a priest, a witch, a fallen angel and a strip club proprietor to save the world. This unlikely band of heroes battles zombies, witches, neuroses and sunburn while cracking jokes and looking for the perfect bag of O-negative. **BOOK TWO: BACK IN BLACK** Vampire detectives Jimmy Black and Greg Knightwood investigate a series of assaults plaguing the alleys of Charlotte, North Carolina. The string of hate crimes becomes personal when Jimmy's just-maybe-main-squeeze Detective Sabrina Law's cousin is attacked. Helping a lady out could get the boys killed when they end up in Faerie. Before long, they're up to their butts in trolls, dark fae and a grand battle royale. The odds are against them, but to the boys, this is just another day on the night shift—if the night shift included a steel cage match of supernaturals. **BOOK THREE: KNIGHT MOVES** Et tu, Vampire? The boys discover they may be tied to a string of serial killings at the college and that they suddenly aren't the only vampire game in town. The vampire count in Charlotte is at least three. Or more. As far as the unhappy boys are concerned, anything more than two is a crowd not to be tolerated. While tracking down the killer and the competition, they encounter coeds, booby traps (not related to the coeds) and a hirsute bounty

hunter with a moon fetish and a bad attitude. To catch the killer, Jimmy will have to survive a dive headfirst into the great unwashed horde of Dorkdom (game night at the local comic shop). What's a red-blood-drinking vampire to do? His job. Again. Praise for the Black Knight Chronicles-- "Honestly, this is one of the best books that I've read this year and certainly a new series that I will be following." --Black Lagoon Reviews "This is another great book in what will hopefully be a large and successful series. I know I will be eagerly awaiting the next installment." -- Indie Book Blog "I love this book. It makes me happy in a way that hasn't happened in a long, long time." --Keryl Raist, Author of Sylvianna

**Repair Revolution** Aug 27 2019 Every year, millions of people throw away countless items because they don't know how to fix them. Some products are manufactured in a way that makes it hard, if not impossible, for people to repair them themselves. This throwaway lifestyle depletes Earth's resources and adds to overflowing landfills. Now there's a better way. Repair Revolution chronicles the rise of Repair Cafes, Fixit Clinics, and other volunteer-run organizations devoted to helping consumers repair their beloved but broken items for free. Repair Revolution explores the philosophy and wisdom of repairing, as well as the Right to Repair movement. It provides inspiration and instructions for starting, staffing, and sustaining your own repair events. "Fixperts" share their favorite online repair resources, as well as tips and step-by-step instructions for how to make your own repairs. Ultimately, Repair Revolution is about more than fixing material objects: in an age of over-consumption and planned obsolescence, do-it-yourself repair is a way of caring for our lives, our communities, and our planet.

**Emotion in Video Game Soundtracking** Jan 01 2020 This book presents an overview of the emerging field of emotion in videogame soundtracking. The emotional impact of music has been well-documented, particularly when used to enhance the impact of a multimodal experience, such as combining images with audio as found in the videogames industry. Soundtracking videogames presents a unique challenge compared to traditional composition (for example film music) in that the narrative of gameplay is non-linear – Player dependent actions can change the narrative and thus the emotional characteristics required in the soundtrack. Historical approaches to emotion measurement, and the musical feature mapping and music selection that might be used in video game soundtracking are outlined, before a series of cutting edge examples are given. These examples include algorithmic composition techniques, automated emotion matching from biosensors, motion capture

techniques, emotionally-targeted speech synthesis and signal processing, and automated repurposing of existing music (for example from a player's own library). The book concludes with some possibilities for the future.

**Black Knight in Red Square** Sep 28 2019 The Moscow Film Festival may lack Cannes' boats, bikinis, and gentle breezes, but it has nevertheless attracted scores of international actors, directors, and deal-makers. For some, the festival represents Moscow's re-emergence as a world-class city. But for a gang of zealots headed by a beautiful brunette, the festival represents a target, and they have been attacking the film people with frightening efficiency. Desperate to avoid embarrassment, the Kremlin is trying to cover up the killings. And desperate to stop the killers, the KGB has put Inspector Rostnikov on the case. With his Jewish wife and his suspect taste for American crime novels, Rostnikov is hardly the KGB's favorite cop. But he's their best hope to catch the woman with brown hair, complicated motives, and a really big bomb. Plenty of suspense of the best sort - moving and admirable - Washington Post Edgar-winning series The Ed McBain of Mother Russia

**Earth Awakened** Mar 27 2022 The Terran Realm—a world where the Terrans, a species as old as time, secretly coexist in harmony with humans. Their elemental abilities and collective memories are what keeps the world in balance. Or at least until greed for power enters the mix. On a dig in southwestern Indiana, Earth Keeper Lily Redfern, a dedicated scientist and unworldly young Terran woman, is the chosen Earth Talisman. Struggling to stop an earthquake that threatens to split North America in half, she gets help from Carr Madoc, the Protector-Consort destined to guard her and supply her with his strength. In New York State, Algernon Brody plots to create chaos in the world for his and his Destroyer friends' financial gain. The earthquake in Indiana was only the beginning. His Air Keeper wife, and soon-to-be Air Talisman, Autumn hates him for killing her parents and abusing her. Trent Steed, Brody's half-human/half-Terran aide, loves Autumn and will do anything to get her away from the vile Destroyer. What Brody does not know is his act of greed will unbalance Earth and trigger the beginning of end times. Can the two Talisman couples restore balance, or will Brody's foul acts signal the end of all life on Earth? This is a re-release. The book has been gently edited; the plot and characters are basically the same as the earlier edition.

**True Knight** Nov 30 2019 My name is Romeo Harmon and I'm the new sheriff of Prosper Woods, a small California town smack dab in the middle of the sequoia forest. People around here tell me the town hasn't changed a whole hell of a lot since power lines and telephones were installed. It's a quaint place with a movie theater that shows the old classics, a saloon with a decent choice of beer, a general store with a grumpy old coot behind the till, a gas station with a pimply young mechanic, and a bed and breakfast that attracts tourists and vacation money. I think I'm gonna like it here. My name is Vincent Lasco. I've searched a long time to find a new place to settle down. Because of what I am, I need to pull up stakes and start over every twenty years or so-before people realize that I don't age anymore. Prosper Woods has everything a man like me could ever want. Though there aren't many humans, it doesn't really matter. I'm so old, I don't need to eat very often and there's no reason to expose myself to the locals whom I hope to call friends some day. I think I'm gonna like it here. There's newcomers in town. Prosper Woods is a nice place as long as you're passing through. I wonder how long these folks will stay once they find out what's really going on here. Somehow...I don't think they're gonna like it here.(True Knight is the prequel to the Prosper Woods Chronicles and includes an excerpt from True Mate, the first book in the new series)

The Oxford Encyclopedia of Medieval Warfare and Military Technology Dec 24 2021 From the Viking invasions to the Crusades to the Hundred Years

War, wars were crucial agents of change in medieval Europe. They fostered many economic and political changes. They also affected the science, technology, religion, and culture of the parties involved. Examines all aspects of warfare and military technology in medieval times and provides an exhaustive and accurate view of how and why wars were waged throughout Europe, the Byzantine Empire, and the Crusader States from circa 500 CE to circa 1500.

**Chaucer's Knight's Tale** Feb 11 2021 As the first of the Canterbury Tales, the Knight's Tale has been the subject of a vast body of comment by scholars and lay readers. *Firestorm* Jun 05 2020 “The tough, protective heroes you’ve been waiting for. Fans of Maya Banks’ KGI, Susan Stoker, and Lexi Blake will love Monette Michaels’ Security Specialists International series.” —Cherise Sinclair, NY Times and USA Today Bestselling Author. She's a survivor. Former Air Force pilot Tara Nightwalker survived wartime flying only to come home to a civilian life that was anything but safe. Two years after surviving a brutal kidnapping, it’s time to get on with her life. She finds a job in Idaho as a park ranger and wildland firefighting instructor. After what she’s been through, men aren’t appealing at all. Not until she meets SSI operative Price Teague. He’s strong. Honorable. A warrior. And she knows in her gut ... he’s the one. The only problem is—he doesn’t seem interested. He’s a patient warrior. Price Teague envies his fellow SSI operatives who’ve found women to love, because he sure hasn’t been as lucky. Not until the tough, beautiful firefighting instructor comes into his life. The day that some bastard in the woods shoots at them, Tara is cool, calm, and courageous in the face of danger. He recognizes instantly this is the woman he wants. He’s usually a direct-action sort of guy, but he can see Tara is wary about men. Maybe she’s been hurt in the past. He’ll take it slow ... even if it kills him. But when her kidnapper escapes prison, bent on revenge, Price throws out the slow-and-steady approach. Time is not on his side, and there's no way he'll let anyone hurt her. Danger is all around. Then fire season kicks into gear. “Ms. Michaels' writing is tight, the dialogue is witty and it deserves to be on your "MUST READ" list.” —John Matteson, Goodreads. **A Companion to Illustration** Sep 08 2020 A contemporary synthesis of the  
philosophical, theoretical and practical methodologies of illustration and its  
future development Illustration is contextualized visual communication; its  
purpose is to serve society by influencing the many aspects of its cultural  
infrastructure; it dispenses knowledge and education, it commentates and  
delivers journalistic opinion, it persuades, advertises and promotes, it  
entertains and provides for all forms of narrative fiction. A Companion to  
Illustration explores the definition of illustration through cognition and  
research and its impact on culture. It explores illustration's boundaries and its  
archetypal distinction, the inflected forms of its parameters, its professional,  
contextual, educational and creative applications. This unique reference  
volume offers insights into the expanding global intellectual conversation on  
illustration through a compendium of readings by an international roster of  
scholars, academics and practitioners of illustration and visual  
communication. Encompassing a wide range of thematic dialogues, the  
Companion offers twenty-five chapters of original theses, examining the  
character and making of imagery, illustration education and research, and  
contemporary and post-contemporary context and practice. Topics including  
conceptual strategies for the contemporary illustrator, the epistemic potential  
of active imagination in science, developing creativity in a polymathic  
environment, and the presentation of new insights on the intellectual and  
practical methodologies of illustration. Evaluates innovative theoretical and  
contextual teaching and learning strategies Considers the influence of  
illustration through cognition, research and cultural hypotheses Discusses the  
illustrator as author, intellectual and multi-disciplinarian Explores state-of-  
the-art research and contemporary trends in illustration Examines the  
philosophical, theoretical and practical framework of the discipline A  
Companion to Illustration is a valuable resource for students, scholars and

professionals in disciplines including illustration, graphic and visual arts, visual communications, cultural and media and advertising studies, and art history.

**The Deadly Séance** Feb 23 2022 "This story is full of humour, action, and superlative storytelling." - LynnMarie, Happily Ever After Reviews Smart, sexy, and full of magic, Gooden and Knight are back! Someone's committed murder during a séance, and with plenty of suspects, it's up to Abbie and Luc to find the answers before the killer strikes again. With a little help from their friends, they may just survive! Abigail Gooden's Uncle Vidal is in love. His soon-to-be bride, Ariana Huntingdon, has asked him to perform a séance. Its purpose is twofold: to obtain Ari's deceased husband's blessing for the nuptials and to get his advice about some much needed tough love for their three adult children. Before Vidal can perform the séance, Ari dies in his arms--and it's definitely murder. One of the five people in the room did it. Was it one of the spoiled children whose allowances were to be cut off? Was it Ari's long-suffering, poor-relation secretary, Rose Connors? Or was it the butler, Simmons? Abbie and Luc barely begin to investigate Ari's death before another murder occurs. With ties connecting the current deaths to two previous ones and danger from Abbie's past stalking them, it will take all their smarts plus help from their friends and a whole lot of magic to figure out whodunit before the killer strikes again.

**Knight of Darkness** Jul 19 2021 For countless centuries, I've been the assassin for the infamous Merlin, even though the woman who birthed me sits at the right hand of our enemy, Morgen le Fey. Now both my mother and Morgen have decided that it's time I take my place on their side of this conflict. Normally, telling them no wouldn't be a problem, except for the fact that the good guys I protect think that I'm an even worse demon than the ones we fight. Hmm, maybe they're right. I have to say that I do enjoy maiming anyone who gets in my way. At least until my mother gives me a simple choice: join Morgen's Circle of the Damned or see an innocent woman die. I'm all for saving the innocent, but Merewyn isn't as innocent as she seems. And she's none too fond of the fact that her fate is in my dubious hands. Personally I'm all for taking the easy way out, but leaving her to Morgen is rough, even for me. Now the only way to save both our lives is to face the evil forces ever known—my mother and Morgen. And two people who know nothing of trust must learn to rely on each other or die: provided we don't kill each other first.
